
FASHION DESIGNING

(Two Hours)

Answers to this Paper must be written on the paper provided separately.

*You will **not** be allowed to write during the first **15** minutes.*

This time is to be spent in reading the question paper.

The time given at the head of this Paper is the time allowed for writing the answers.

Section A is compulsory. Attempt any four questions from Section B.

The intended marks for questions or parts of questions are given in brackets [].

SECTION A (20 Marks)

*Attempt **all** questions from this Section*

Question 1

As a student of Fashion Designing, you are asked to design a garment for a teenage girl for her first performance on stage as a 'hip-hop' dancer. So, keeping in mind this special occasion and the recent trend in styles and design, write your plan of action for the following:

- (a) Write the name of the garment and **any two** reasons for your choice. [2]
- (b) For planning the above garment, give your choice for the following [5]
details:
 - (i) Name of the fabric
 - (ii) Colours and patterns of the fabric
 - (iii) Required quantity of the fabric
 - (iv) Supplementary materials required and their quantity
 - (v) Approximate cost of the finished garment.

This Paper consists of 4 printed pages.

- (c) With the help of *appropriate diagrams*, mention the details of garment construction that include: [9]
- (i) Preparation of the fabric for cutting
 - (ii) Drafting and layout
 - (iii) Cutting, stitching and finishing.
- (d) Describe the kind of decorative design you would adopt to make the outfit more attractive. Give specific details on: [4]
- (i) The design type
 - (ii) The design placement
 - (iii) The colour combinations
 - (iv) Suitable embroidery stitches.

SECTION B (80 Marks)

Attempt any four questions from this Section

Question 2

As a fashion designing student, you need to have the complete knowledge of the tools and equipment used for designing clothing. With reference to this explain:

- (a) The role and contribution of sewing tools and equipment [10]
- (b) Factors to be considered while purchasing the sewing equipment and tools. [10]

Question 3

The sewing machine is considered to be one of the most important tools in garment construction. In this context:

- (a) List out the various parts of a Sewing Machine with the help of a diagram. [10]
- (b) Write the differences between a fashion maker sewing machine and an ordinary pedal sewing machine. [10]

Question 4

In sewing and fashion design, a pattern is the template from which the parts of a garment are traced onto fabric before being cut out and assembled.

With reference to this, explain:

- (a) The significance of commercial patterns. [10]
- (b) The differences between commercial patterns and drafted patterns. [10]

Question 5

The success of the garment depends on its measurements and fit. A well fitted garment has optimum ease and follows the general silhouette.

Keeping this in mind, explain the following:

- (a) Write any five common figure problems and explain the different types of clothing they should wear and avoid. [10]
- (b) Explain the steps involved in making a dress. [10]

Question 6

For dress designing, it is necessary to have knowledge of various design details which can be applied on the dress. In this context, define the following terms and write short notes with the help of diagrams:

- (a) Tucks [10]
- (b) Gathers [5]
- (c) Darts [5]

Question 7

The traditional embroidery of India includes various embroidery styles and stitches used for garment embellishment. Keeping this in mind, explain the following:

(a) *Kashida* of Kashmir [5]

(b) *Phulkari* of Punjab [5]

(c) Any five common embroidery stitches used for garment embellishment. [10]

Draw suitable diagrams in support of your explanation.
